

JANCY K . P.

Young Professional – III (Scientific)

Jancy obtained her Masters in Zoology from Loyola College, Chennai and M.Phil. in Zoology with specialization in Entomology from Madras Christian College. She has been working at the National Biodiversity Authority (NBA) since 2014 October, assisting the Authority on matters pertaining to strengthening of State Biodiversity Boards (SBBs) and the related matters of constitution of Biodiversity Management Committees (BMCs) and preparation of People’s Biodiversity Registers (PBRs). She is well-versed with the scrutiny of SBB proposals for administrative approval and financial sanctions. Earlier, she had worked as a Senior Research Fellow in State Forestry Research Institute, Tamil Nadu. She is a motivated and hardworking person with good planning and organisational skills and confident of working independently or as part of a team.
