

**Jeyaram Soundrapandi**

**Project Officer, UNDP**

Soundrapandi holds an MPhil and a PhD in Botany with specialization in Plant Taxonomy from the University of Madras. As a post graduate student at the American College, Madurai, he volunteered with the Western Ghats Biodiversity Network that carried out pioneering experiments with the Community Biodiversity Registers of tribal communities. Since 2012, he is at NBA in various capacities viz., Expert Consultant, Project Officer, GoI-UNDP Biodiversity Finance Initiative and Project Manager, ASEAN-India Cooperation Project. His passion includes travelling to biodiversity hotspots for plant explorations, world cinema and literature.
