

S.Sathrumithra

YP II (Scientific)

Sathrumithra completed his Masters in Zoology from Mahatma Gandhi University, Kottayam. He has more than eight years of experience in the field of conservation research. Previously he worked with Kerala State Biodiversity Board in the PBR project and later joined Advanced Centre of Environmental Studies and Sustainable Development (ACCESSD), where he mainly focused on the diversity, distribution and ecology of earthworm fauna of the Western Ghats. He was part of the team that described five new species of earthworms from Western Ghats. Apart from these he was also associated with Tropical Institute of Ecological Sciences (TIES) an environmental NGO in Kerala. He is a nature enthusiast and enjoys travelling and listening to music.
