- ▶ Public awareness.

Domestic Laws (Damage from LMO

Islamic Law (Shriyaa) Is main resource with supplementary mix resources such as traditional , local and Common Law .Dealing with damage resulting from LMO :

- ▶ Environment Protecting Act 2001
- ▶ Criminal Act 1991
- ▶ Civilian Act 1984
- ▶ National Biosafety Act 2010

National Bio safety Law 2010

Other Domestic Laws:

Sudan has other Laws to address Biosafety issues, some of them :

SSMO Act 2008

Customer Act 1986

Key Challenges: Promote Public Participation:

Key Challenges:–

- **National Bio Safety Law (2010)** since May 2010 but it is not fully in place
- **vital need for raising awareness among stakeholders .**
- **Financial Support (official Budget for minimum) .**
-
